

Community Engagement Meeting

Licking River Greenway Brownfield Coalition

Date:

Thursday March 12, 2015

Location:

The Life Learning Center
20W 18th Street
Covington, KY 41011

Time:

6:00 p.m.– 7:30 p.m.

Who:

We invite all members of the community (Kenton and Campbell Counties) to attend.

The Licking River Greenway Brownfield Coalition is holding its first engagement meeting for the Hazardous Assessment Project to educate the public on the purpose of the coalition and how funds will be utilized to further our mission.

The project will assess sites throughout the watershed and surrounding area in order to plan for remediation and redevelopment of blighted structures.

We are seeking community input on areas to focus these efforts and the location of sites that are:

- blighted
- illegal dumping areas
- underutilized & impact public health
- prevent neighborhood revitalization
